

*RaceVermont.com...Where everyone can be a star!*

Dear Registered Racer,

Thank you for registering for the **Shelburne 5K/10K on Saturday, June 21, 2014 at 8:00 am**. This is the second of three 5K/10K races that Racevermont is hosting this year (the final one will be held on Saturday, July 19). The following is a lot of information regarding pre-race and race-day procedures. This letter should answer a lot of your questions, but if it doesn't, feel free to contact me at rayne@racevermont.com.

**Pre-race Packet Pickup:** Racers will be able to pick up their numbers and other relevant items at Fleet Feet Sports in Essex Junction, VT the day before the race. Fleet Feet Sports is located at 76 Pearl Street (across the street from the Champlain Valley Fairgrounds) and hours of pickup for this particular race will be **Friday, June 20, from noon until 6:30 pm**. You may pick up your own packet as well as that of a friend as long as your friend doesn't need to sign a waiver. Those who pick up their packet the day before the race do not need to arrive until just prior to the **Pre-Race meeting scheduled for 7:50 am on Saturday**. For those wishing to pick up their packets on race day, please arrive as early as you are able. Check in will be closed at 7:45 am. Please do not wait until the last minute to arrive.

**The Course:** Both the 5K and 10K are out-and-back courses running along Harbor Road then turning on to the Ti Path.

**5K-** The start line is out in front of the club (5K/10K start together). The course is relatively flat on Harbor Road then turning on to the Ti Path. Just before the corner of the Ti Path and Bay Road runners turnaround and return to Shelburne Health & Fitness.

**10K-** The start line is out in front of the club (5K/10K start together). The course is relatively flat on Harbor Road then turning on to the Ti Path then CROSSING Bay Rd and connecting on to the Shelburne Recreation Path. At the corner of the Shelburne Rec Path and Harbor Rd. runners turnaround and return to Shelburne Health & Fitness. There is a Water Station at the 10K turnaround equipped with water and GU electrolyte.

**Some important notes about race day and the race:**

- Due to the number of racers, parking will be at a premium. Please park at the Shelburne Community School, Shelburne Town Hall or at the Shelburne Rail Road Station. All are an easy walk to/from the club. Parking will not be allowed at Shelburne Health & Fitness due to the danger that exiting cars pose to our racers who are still finishing.
- The use of personal music devices is PERMITTED at this race, although not encouraged. Please be very cautious. Not only do we want you to hear traffic that may be headed your way, but race volunteers or the timing team may need to get your attention.
- Racevermont has no objection to and does not discourage the safe and prudent use of strollers or baby joggers during our races. Stroller or baby joggers or similar devices should be started in the back of the runners and walkers.
- Racers must be courteous to other racers, volunteers, race officials, spectators at all times. Unsportsmanlike behavior will result in disqualification.
- Racers must adhere to/abide by instructions, warnings, course signs, race officials, volunteers, police, state and local traffic laws.
- The 5K and the 10K races will run simultaneously. All ages and genders will start at the same time. For those participating in the 5K, please be aware of where the turn-around is and pay attention to the volunteers. We've had 5K racers blow past our volunteers, not able to hear the volunteer because they were listening to music, who missed the turn-around just before the Ti Path. We cannot adjust times based on this mistake.
- On the main road (Harbor Rd) stay right going out and left returning (you'll always be running on the north side of Harbor Road). On the Ti and Shelburne Bay Paths always stay on your right.
- **All bib numbers have microchips attached to the backs of them. Please do not crumple, bend, or otherwise damage this chip, otherwise your chip may not read when you cross the mats.**
- All athletes must clearly display their bib #'s on the front of their body throughout the course – especially at the finish.
- **Race numbers MUST BE VISIBLE AT ALL TIMES, BUT ESPECIALLY WHEN APPROACHING THE FINISH LINE.**
- **Runners cannot run more than two abreast on Harbor Rd.**

Thank you for supporting the RaceVermont.com 2014 Race Series . The great success of the series is due to your continued participation and to the volunteers who help support Racevermont.com and all of our racers throughout the year. We all look forward to seeing you many times during the 2014 race season.

Be well,
