

Shelburne Farms Walking Trails Information

We hope you enjoy our walking trails. Your consideration for other Farm activities and the privacy of residents will be deeply appreciated. Please respect all signs. Thank you!

A word of caution

These are countryside foot paths—many of them are unmarked; all of

them have occasional rough or uneven terrain, including exposed roots and rocks. Cliff areas along the shoreline are not fenced. The trail surface can become extremely slippery when wet. Please wear suitable shoes, don't go out in rainy or high wind conditions, and take appropriate precautions at all times.
